

Aureus Health Services Achieves URAC's Specialty Pharmacy Accreditation

July 20, 2015 -- PITTSBURGH, PA-- Aureus Health Services, a national Specialty Pharmacy and Health Management Company, today announced that it has received URAC's Specialty Pharmacy Accreditation. This provides an external validation of excellence in Specialty Pharmacy Management and provides Continuous Quality Improvement (CQI) oriented processes that improve operations and enhance compliance.

"We are proud to have earned URAC's Specialty Pharmacy Accreditation. It demonstrates Aureus' commitment to providing the highest quality of care to our patients and valued specialty pharmacy services to our clients that include physicians, healthcare payors, pharmaceutical manufacturers and our retail (HUB) partners," said Michael A. Nameth, President and CEO of Aureus Health Services, a Meijer Company. "This achievement exemplifies the strong work ethic and dedication of Aureus."

"By applying for and receiving URAC accreditation, Aureus Health Services has demonstrated a commitment to quality healthcare," said URAC President and CEO Kylanne Green. "Quality healthcare is crucial to our nation's welfare and it is important to have organizations that are willing to measure themselves against national standards and undergo rigorous evaluation by an independent accrediting body."
